## Objectives

- To establish a system that drives conscious, consistent, and impactful actions aimed at enhancing the academic and administrative performance of the institution.
- To foster initiatives that promote institutional functioning focused on quality enhancement and sustainability through the integration of a quality culture and the adoption of best practices.
- To achieve the institute's vision by effectively implementing and directing the strategic plan.

## Functions

- Develop and apply quality benchmarks through regular Academic and Administrative Audits to promote quality and accountability.
- Facilitate the creation of a learner-centric environment that supports quality education and faculty development, enabling the adoption of necessary knowledge and technology for a participatory teaching and learning process.
- Collect and analyze feedback from all stakeholders on quality-related institutional processes.
- Disseminate information on various quality parameters in higher education.
- Organize workshops and seminars on quality-related topics and promote the establishment of quality circles.
- Develop a systematic approach to documentation that leads to continuous quality improvement.
- Integrate quality-related activities across the institution, including the adoption and dissemination of best practices.
- Prepare and submit the Annual Quality Assurance Report (AQAR).

## Value Framework

To promote the following core values within higher education institutions across the country:

- Contributing to national development
- Fostering global competencies among students
- Inculcating a strong value system in students
- Promoting the use of technology
- Pursuing a continuous quest for excellence
