Subject: Request for Approval to Conduct the Tech Battle Program.

Respected Sir,

On behalf of the Department of Computer Science, I am writing to seek your approval for organizing a unique program titled "Tech Battle," which will be conducted by the Department of Computer Science in connection with Cyber Security Day.

The Tech Battle aims to engage students in a competitive yet educational environment where they can showcase their skills in cybersecurity and technology. This event will not only enhance their knowledge and practical skills but also raise awareness about the importance of cybersecurity in today's digital world.

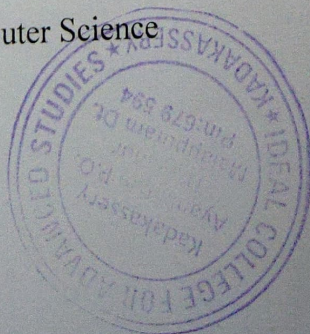

Thank you for considering our request. We are looking forward to your positive response.

Yours sincerely,

Sudheesh S.

Tech Battle

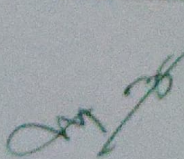

November 29, 2023

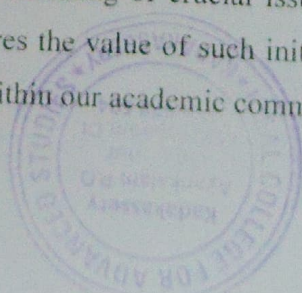

The Tech Battle, organized by the Department of Computer Science in conjunction with Cyber Security Day, was a unique initiative aimed at enhancing the public speaking skills of our students while addressing critical topics in technology and cybersecurity. This engaging session was led by five enthusiastic second-semester BCA students who showcased their passion for exploring new technologies and effectively communicating their insights to an audience.

During the event, the students introduced a variety of important topics, including the fundamentals of cybersecurity, various types of cyber threats, and essential protective measures. They also delved into exciting areas such as augmented reality, virtual reality, and automation, which are increasingly relevant in today's technological landscape. By presenting these subjects, the students not only informed their peers but also demonstrated the importance of effective communication in conveying complex ideas.

The program was expertly coordinated by Mrs. Suhaila and Mr. Deepesh, assistant professors in the Department of Computer Science, whose guidance helped ensure a smooth and successful event. Their mentorship was invaluable in preparing the students for their presentations. Mr. Mahroof, the association secretary, concluded the session with a vote of thanks, expressing appreciation for the efforts of both the presenters and the coordinators in making the event a success.

Overall, the Tech Battle not only provided a platform for students to enhance their public speaking skills but also fostered a deeper understanding of crucial issues in cybersecurity. The positive feedback from attendees underscores the value of such initiatives in promoting collaboration, innovation, and communication within our academic community.

Subject: Request for Permission to Conduct 'Project direction using SDLC' Program.

Respected Sir,

On behalf of the Department of Computer Science, I am writing to formally request approval for conducting a program titled "Project Directions Using SDLC," aimed at enhancing our students' understanding of software development life cycles.

We successfully held this session on June 16, 2023, at 1:45 PM in the College Seminar Hall. The session was conducted by Mr. Deepesh V. P, Assistant Professor in the Department of Computer Science, who provided valuable insights into creating efficient, reliable, and user-friendly software. The discussion simplified the stages involved in software development, making it more accessible and engaging for our students.

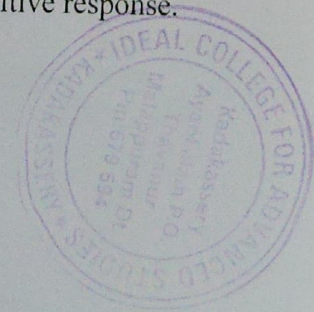

Thank you for considering our request. We are looking forward to your positive response.

Yours sincerely,

Sudheesh S.

PROJECT DIRECTIONS THROUGH SDLC

16/06/2023

On June 16, 2023, the Department of Computer Science hosted a project orientation session titled "Project Directions Using SDLC" at 1:45 PM in the College Seminar Hall. The session commenced with a warm welcome from Assistant Professor Swapna O, who set the tone for an engaging discussion. Mr. Deepesh V. P, also an Assistant Professor in the department, led the session, focusing on the Software Development Life Cycle (SDLC). His presentation aimed to demystify the various stages of software development, highlighting methods to create efficient, reliable, and user-friendly applications.

The session was both informative and interactive, encouraging student participation and fostering a deeper understanding of software development processes. Students actively engaged with the material, asking questions and sharing insights, which enriched the overall experience. To conclude the event, Rimshan, a 5th-semester BCA student, delivered the vote of thanks, expressing gratitude to the speakers and attendees for their contributions to a successful session. Overall, the event was a valuable opportunity for students to enhance their knowledge and skills in software development.

WORKSHOP ON MS OFFICE FOR V BSW

Department of Social Work , Ideal College for Advanced Studies, Kadakassery conducted a one day workshop on 26th June 2023 at 10 am in the First year BSW classroom. Assistant Professor and class tutor Ms. Murshida.M.K welcomed the gathering. The workshop was successfully handled by Mr. Saheedali.P, Assistant Professor, department of Social Work in which different trends of short keys on word, Excel and Power point were introduced through practical session to make the knowledge of students to a more enhanced level. BSW Students, Ms. Majida.A shared the feedback and Mr. Sayanth delivered the vote of thanks.

DIGITAL LITERACY PROGRAM FOR SECOND YEARS

PG Department of Commerce and Management Studies and FLASH organized a digital literacy program named as 'unlock the power of word and Powerpoint : A guide to digital literacy' with an aim to foster the digital literacy among second year B.com and BBA students on 17/08/2023 at 1:30 pm. The programme commenced with a welcome speech by Ms. Naseeba Thasneem.V.C (Program coordinator) and the technical session was led by Mr. Deepesh.V.P. (Assistant Professor, Department of Computer Science). The core content of the session was basic tools used in Powerpoint and Word. Mr. Sinan.C.V (student coordinator from B.com (CA)) delivered a vote of thanks. The session was quite insightful and astonishing for the students.

REPORT OF THE FLASH SESSION

'AI driven world'

An intensive session was conducted by the PG Department of Commerce and Management Studies as a part of the Flash Add-on Course to provide participants with a comprehensive understanding of AI and its implications in today's world. The session lasted for two hours, from 10:30 AM to 12:30 PM on Thursday, 05:10.2023 which covered Introduction to Artificial Intelligence (AI), AI's Role in Transforming Industries, Ethical and Social Considerations in AI, Practical Applications of AI, Future Trends in AI etc. The session Led by Mr. Sudheesh S (Head, Department of IT, Ideal Institutions) and around 60 students participated from the second year B.Com (CA), B.Com (Co) and BBA classes. Participants gained a fundamental understanding of AI concepts and terminology. They explored real-world examples of AI applications across various industries. Ethical considerations in AI were discussed, promoting responsible AI development and usage. Participants were introduced to potential career opportunities in AI-related fields.

The session sparked interest and curiosity among attendees about the AI-driven future. Feedback from participants was overwhelmingly positive. Overall, the training session was successful in achieving its goal of providing a detailed awareness of the AI-driven world and its implications. The session started welcome speech by Mr. Yahkoob (Coordinator of the Program) followed by the prayer. The Program ended with the vote of thanks by Mr. Mohammed Naheem A K (Student representative).

SPSS WORKSHOP

PG Department of Commerce and Management Studies organized a workshop on SPSS, for II and IV semester MCom students on 3/4/2024 at college seminar hall. Ms.Rajitha R (Coordinator) welcomed the gathering. The session was handled by Mr.Muhammed Mishhab P (Assistant Professor, Department of Commerce). The programme was focused on the demonstration of SPSS as a data analysis tool, and to analyse and integrate information using SPSS. The students were learned to carry out inferential statistical analysis using SPSS and to summarise their research findings effectively. The session was ended with student's feedback and vote of thanks by Ms.Jamsheeda (IV semester MCom).

Subject: Request for Approval to Conducting presentation Session for "COSORCIO".

Respected Sir,

On behalf of the Department of Computer Science, I am writing to seek your approval for a student-led lecture organized by the Department of Computer Science, scheduled for August 30, 2024, at 2:00 PM in the Talent Hub. This initiative aims to provide our first-year BCA students with a platform to present their knowledge and insights on various contemporary topics in the field of computer science.

Thank you for considering our request. We are looking forward to your positive response.

Yours sincerely,

Sudheesh S.

CONSORCIO

30/08/2024
TALENT HUB

In celebration of World Wide Web Day, the Computer Science Department organized a paper presentation session aimed at enhancing students' technical knowledge and their skills in publication and presentation.

The event was warmly welcomed by **Sandra Sunil**, a 3rd Semester BCA student, who set a positive atmosphere for the gathering. **Mr. Sudheesh S**, Head of the Computer Science Department, delivered a compelling keynote address that highlighted the significance of the World Wide Web and its transformative role in modern society.

Ms. Suhaila, a faculty member in the Computer Science Department, graciously felicitated the event, reinforcing the importance of such initiatives in fostering academic growth.

The core of the session featured presentations from 3rd Semester BCA students: **Ms. Sandra**, **Ms. Aswathy**, **Ms. Vishnumaya**, **Ms. Haniyya**, and **Ms. Anakha**. They covered a range of topics on the evolution of the World Wide Web and current trends, engaging the audience and stimulating discussion.

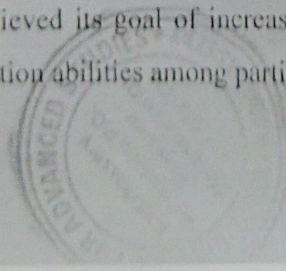

Additionally, **Ms. Sandra**, a 1st Year BCA student, provided insightful feedback on the presentations, highlighting their relevance to contemporary technological advancements.

The session concluded with **Mr. Sreedarsh**, a 1st Semester BCA student, delivering a Vote of Thanks, expressing appreciation to the speakers, faculty, and attendees for their participation.

Overall, the World Wide Web Day Presentation was a resounding success, effectively providing a platform for students to enhance their knowledge and showcase their research skills. The program achieved its goal of increasing technical understanding and improving publication and presentation abilities among participants.

SPSS WORKSHOP

PG Department of Commerce and Management Studies organized a workshop on SPSS, for II and IV semester MCom students on 3/4/2024 at college seminar hall. Ms.Rajitha R (Coordinator) welcomed the gathering. The session was handled by Mr.Muhammed Mishhab P (Assistant Professor, Department of Commerce). The programme was focused on the demonstration of SPSS as a data analysis tool, and to analyse and integrate information using SPSS. The students were learned to carry out inferential statistical analysis using SPSS and to summarise their research findings effectively. The session was ended with student's feedback and vote of thanks by Ms.Jamsheeda (IV semester MCom).
