

ILLUMINATING MINDS, TRANSFORMING FUTURES

**IDEAL COLLEGE FOR ADVANCED STUDIES
KADAKASSERY**

–Paths of glory lead to the peaks –

Ideal college for advanced studies came in to being on 31st July 2010 under the auspices of ideal trust which was founded in 2001 with the noble objectives of imparting quality education. The college celebrates its heydays of teaching and learning activities attracting the student community from the divergent rung of the society. It has established to disseminate knowledge and skills to young minds with an ambiance of academic excellence and professional drive. It is identified as an institution with potential for excellence which is rooted in Malappuram District. We make significantly sustainable and socially responsible contribution to the world and aims to prepare young students for the challenges of the real world.

The institution has been extremely well in academic and non- academic spheres which created a criterion for education of its own kind in a unique manner. The results of the outgoing batches have been great with 100% pass. Besides the flawless performance in curricular activities, the college has been a consistent achiever in Sports and Arts. Our primary aim is to extend exceptional education that equips students with the knowledge and skills necessary to excel in their chosen fields. By encouraging a research-oriented mindset, we intend to drive advancements in various disciplines and contribute to the global knowledge base. Having focused on the personal development, we encourage students to grow not only academically but also emotionally and socially. Our programs are designed to cultivate leadership qualities and teamwork skills, essential for success in both personal and professional realms. Our institution upholds the principles of sustainability and ethical practices, preparing students to become responsible global citizens.

We are dedicated to providing an education that transcends traditional boundaries. Our comprehensive approach ensures that students are well-prepared to lead, innovate, and make a positive impact on the world. We are proud of our legacy and continuously strive to uphold our mission of academic excellence, holistic development, and social responsibility. Through initiatives like ‘V4U’ and ‘**ManaShruthi**’ project, we reaffirm our commitment to make education accessible and meaningful for all, particularly in rural areas. By empowering communities and promoting a love for learning, we aim to create a brighter, more impartial future for everyone.

- ManaShruthi: Enlightening Rural Landscapes-

Objectives

- ❖ Cultivating a Zest for Reading and Learning : Instilling a love for books and knowledge among rural students.
- ❖ Boosting Literacy Rates and Educational Quality : Enhancing literacy levels and improving the quality of education in rural areas.
- ❖ Bridging Educational Gaps in Rural Areas : Addressing disparities in educational resources between urban and rural regions.
- ❖ Encouraging Community Engagement : Fostering a spirit of community involvement and support for education.
- ❖ Developing Creative and Critical Thinking Skills : Encouraging students to think creatively and critically.
- ❖ Supporting Lifelong Learning : Promoting continuous learning opportunities for all age groups.

Social welfare and the promotion of literacy have been central to the institution since its establishment. Recognizing the significant educational resource gap in rural areas, the college initiated the 'ManaShruthi' project to promote literacy and lifelong learning. This project targets rural areas where schools and public libraries lack essential books, aiming to provide sufficient educational resources. The initiative not only addresses educational disparities but also fosters a sense of solidarity and social commitment among students.

The ManaShruthi project is a dedicated effort to enrich the educational landscape of rural areas by providing sufficient books and learning materials to schools and public libraries.

Key components of this initiative include:

- ❖ **Book Donation Campaigns:** Organizing book donation drives within the college and the larger community to collect new and used books. Students took a great initiative to collect only the required books for the students.
- ❖ **Reading Programs and Literacy Workshops:** Conducting reading programs and literacy workshops to engage rural students and stimulate their interest in reading. It helped them to explore the real pleasure of reading.
- ❖ **Collaboration with Rural Schools:** Associating with rural schools to identify their specific needs and extend support accordingly. It invigorates the sense of social responsibility and the true spirit of education among students.
- ❖ **Encouraging Regular Contributions:** Motivating students to make regular contributions by seeking external funding and sponsorships to maintain a steady flow of resources.

Through these activities, the initiative aims to uplift the standard of rural communities. Moreover, it serves as a platform for students to develop empathy and leadership qualities.

Numerous rural libraries : Vellanchery Rural library, M. Govindan Smaraka library Thavanur (under Thavanur Grama Panchayat), Ponnani Taluk library council and school libraries : GUP School Vellanchery, KMGUP School, Thavanur, GUP School Chamravattam, AKMHSS Ayankalam, are now having access to a wider range of books, significantly enhancing the learning experiences of their students.

The initiative has received positive feedback from local communities, educators, and authorities, highlighting its impact on rural education. Moreover, the character development and the sense of social responsibility among college students.

Indeed, the project has helped students to develop the essential soft skills such as leadership, teamwork, and social responsibility.

The institution focuses on the comprehensive development of students, preparing them to address complex social issues. The ManaShruthi project exemplifies the commitment to educational equity and community service. By promoting literacy and supporting rural education, the institution aims to empower communities and create enduring positive change.

3. Extending Psychosocial Support for Rural Students and senior citizens

Addressing the emotional and psychological well-being of the rural students and senior citizens, faculties and students of the institution provide professional counseling services to maintain their focus in education and other aspects of life. Awareness classes on mental health, stress management, and emotional resilience are conducted regularly. This holistic approach ensures that rural folks are not only academically equipped but also emotionally strong.

Team Ideal V4 U exemplifies the institution's commitment to the holistic development of its students and the community. By addressing educational and psychosocial needs, the college promotes a nurturing environment where rural students can prosper. This initiative not only empowers individuals but also contributes to the broader goal of social upliftment and resilience.

Ideal college for advanced studies remains dedicated to driving positive change, ensuring that every student, regardless of their background, has the opportunity to succeed and contribute to the betterment of society. Through Team Ideal V4 U, the institution continues to build a legacy of compassion, support, and excellence.
