Dress Distribution at Athalur Nadet Colony and Ashraya Colny

The more serious problem than the natural disaster experienced during each visit to the Atalur Nedet Colony, where the Ideal NSS Unit of Kadakassery was involved in the aftermath of the floods was the devastation of the growing generation and the devastating social degradation, including intoxication. Parents who are unaware of children's education or growth paths. Youth who have no awareness of the outside world or the possibilities of the new age. Ideal NSS volunteers are preparing for some of the more challenging steps here. The primary goal is to make positive moves for children's learning and motivation activities in the colony. Friday, 20.09.19, the NSS volunteers returned to each home in the colony for a full day. Fifty families, including those in the adjoining Ashraya Colony, were provided with adequate clothing. 2 wedding dresses were given to color the dreams of the 3 girls who got married. The illumination they see on their faces is a sure sign that the NSS will make meaningful advances in the years to come. The Ideal NSS team is preparing for the next steps with the message, "We are with you, for more strength".
